

UX Designer and Project Manager with a penchant for practical physical design. My core value comes from leatherworking - only give the user something you'd use every day.

EXPERIENCE

Project Manager

Nasdaq • April 2017 - Present

Project Coordinator

Nasdaq • July 2015 - April 2017

Known in the U.S. primarily as the financial exchange, Nasdaq is also a provider of platform agnostic market services worldwide. Program Manager for our cloud implementations and PMO for our CIO.

Business Development Representative

Appthority • Summer 2014

Mobile app security company. Worked in software development, forward sales, and marketing. Worked closely with companies such as Macy's, Facebook, and World Bank Group.

Customer Service Specialist

Office Depot • Summer 2013

Sales associate for the technology, office, and school supplies departments. Inventory maintenance.

EDUCATION

Princeton University • 2011 - 2015

BSE - Operations Research and Financial Engineering
